

# Jacky Essombe

## African Dance Workshop for Schools

### Program Outline

Jacky and her accompanist will work with up to 60 students at a time in sessions ranging from 30 – 60 minutes throughout the day. At the end of the day, all students will assemble for a group dance.

### Prior to the day:

Ensure that the gym is booked and free from all activities for the entire day. The gym will not be needed during the lunch break so regularly scheduled activities that take place at that time can go ahead as planned.

Set the schedule for each class. Jacky prefers to work with the younger students in the morning.

### On the day of the workshop:

Jacky will need a microphone on a stand

Jacky's accompanist will need one chair with no arms

Jacky will arrive about thirty minutes prior to the first session and will meet with the lead teacher / coordinator to go over the plan for the day.
