

Speed Control

Rock Anthem Workshop

Typical schedule

(All start times below are approximate and will be adjusted to meet your school's bell schedule.)

9:15 AM	History of Rock show for the whole school, 45-50 min
10:30 AM to 12:00 PM	The musicians go from class to class to get to know the students, and to find out what the school means to them
12:45 PM to 1:45 PM	Work with up to 20 kids from the higher grades to write the lyrics
1:45 PM to 2:30 PM	The band practices the new song on their own
2:30 PM to 3:00 PM	Students are called back to the gym to learn the new song

Within six to eight weeks, usually, the group will go into the studio to record the anthem and then forward a copy to the school.
